

澳洲聯邦國會議員賀電

THE HON PHILIP RUDDOCK MP

Shadow Cabinet Secretary
Federal Member for Berowra

It is my great pleasure to welcome the many delegates from around the world, and wish the Overseas Chinese Association all the best for a successful World Congress.

The Chinese community in Australia has been instrumental to our success over many years, making Australia their home and succeeding in all their endeavours. Like expatriate Chinese communities all over the world, they have demonstrated a spirit of enterprise that is second to none.

That Sydney can now be host to such an auspicious event is testament to their success.

I welcome all visitors to Sydney, and hope that along with participating in the Conference you will be able to see something of our wonderful city.

I wish you all the best for a successful Conference.
